NETBALL THEORY COMPETITION

WEEK FIVE

Rule 13.5 explains Passing Distances.

13.5.1 - Short Pass - for a short pass to occur, remember that the ball needs to be passed. i.e. go from the possession of one player to another.

1.5 Scenario One:

Two players from the same team catch the ball simultaneously. One of the players releases their hands from the ball, leaving one player in possession of the ball.

Is this a short pass? Why? _____

2.5 Scenario Two:

One player catches the ball. A second player from the same team puts their hands on the ball, realises that the other player has possession, and removes their hands from the ball.

Is this a short pass? Why? _____

3.5 What penalty would you award for a short pass? _____

4.5 May a player throw the ball while lying, sitting or kneeling on the ground? Yes/No

5.5 May a player wear a taped earring? Yes/No

Draw the signal for short pass.

Draw the signal for held ball.
